Voluntary service projects are an essential part of the SANY Academic Program. There are many benefits of such service projects, some of which are:

1. Increase the chance of admitting competitive colleges
2. Requirement for numerous college scholarships.
3. Enables young people to grow in maturity and to broaden their worldview.
4. Developing skills in leadership, communication, working well with a team, and time management.

In order for a scholar to receive credit for his/her community service, the following criteria must be met:

2. The community service/volunteer hours log sheet is to be filled out when completing community service.

## K-12 Homework Policy

Teachers strive to give scholars meaningful homework assignments that enhance scholars' academic development. Homework helps scholars develop many valuable skills such as good study habits, time management, responsibility, and perseverance. Responsibility is a trait we feel is conducive to all aspects of life. It is the family's responsibility to help foster these skills. It is the scholar's responsibility to complete homework and turn it in on time. Late work will be accepted past the due date, within a reasonable timeframe, and a penalty. Scholars who submit late work resulting from an excused absence or an extenuating circumstance will not be given a penalty. If the scholar or family has questions about homework, they should immediately contact the teacher who assigned it. All homework assignments must be turned in on time. It is the scholar's responsibility to make up missing assignments regardless of the excuse as early as the next school day.

## Arrival and Dismissal Times

Arrival and dismissal times may vary depending on building and transportation from the local district.

## Attendance Terms

SANY scholars are required to attend, at minimum, 162 school days, which is equal to 90% of the total school days. Chronic absenteeism is when a scholar misses 10% or more of the school year for any reason. Chronic absenteeism can lead to scholar retention, as well as a referral to Child Protective Services for Educational Neglect. **ALL absences will count against the minimum days of attendance, regardless of why the scholar was absent.**

As a school, we require documentation for all absences. An absence, tardiness, or early departure must be documented if due to illness, death in the family, medical appointment, religious holiday, court appointment, counseling appointment, road test, or college exploration.

Scholars should not be absent, tardy, or dismissed early due to family vacation, babysitting, oversleeping, missing the bus, or working.

### Notes:

- All absences require verification and legitimate written documentation. Appropriate documentation for absences does not eradicate any absence.
- All absences should be documented by emailing the main office, providing a handwritten note from the parent/guardian, or a formal doctor's note. Each day counts as one absence, regardless of the reason.
- If a scholar is absent for three (3) consecutive days due to an illness, he or she will be required to bring in a note to the Main Office from a health care physician.
- The missing assignments due to absences must be completed within two school days. There will be a 30% deduction for the assignments missed due to absences.

Families must submit documentation from a licensed healthcare professional in order for the documentation to be considered legitimate written documentation.

Written excuses for absences **ARE REQUIRED BY NEW YORK STATE LAW**. Upon returning to school, the scholar must have a written explanation giving the following information:

- Scholar's name
- Date(s) of absence
- Grade
- Reason for absence
- Signature of Parent/Guardian
- Letters/notes for absences due to court appearance, college visits and doctor visits due to illness are required.

## Family Communication for Attendance

- 3 days absent- Parent Contact (Reminder of Attendance Policy)
- 6 days absent- 1st Official Letter Home
- 9 days absent- Attendance Meeting/Official Letter
- 12 days absent- Official Letter (Potential contact of local authorities for wellness check)
- 15 days absent- Official Letter with Attendance Audit & Meeting (Potential CPS Educational Neglect call & Academic Promotion Warning Letter)
- If the scholar exceeds 18 absences, Officials will run a Full Academic Review to determine whether the scholar must attend summer school and/or be retained.

- If a scholar is absent 20 consecutive days without a valid excuse, scholar is automatically unenrolled from the school. After 15 consecutive days, an official letter will be sent mentioning the 20 consecutive days will lead the scholar to unenroll from the school.
- In School Suspension (ISS-See appendix-B for details) and Out-of-school suspension (OSS) will not be counted toward the maximum number of days missed.
- If a prolonged absence due to a short-term physical, mental or emotional illness is anticipated and/or occurs, the scholar's parents or guardians must contact the building administrator regarding tutoring. The scholar's physician/mental health professional must verify any such absence. Tutoring counts as attendance. In addition, for those scholars with chronic health concerns that cause intermittent attendance issues, the building principal will work with the scholar, parents, and classroom teachers of the scholar to develop an action plan for credit recovery. Such plans may include but are not limited to, homebound instruction, tutoring after school, extra class work, etc. Successful completion of this plan will enable the scholar to receive course credit.
- If your scholar is absent, it is the family's responsibility to coordinate a way to pick up missed work.

Note: Scholars may lose privileges, extracurricular activities, or field trips after the attendance hearing.

### Early Dismissal Policy

- a. When a scholar needs to be dismissed early, the parent/guardian will email the main office or call to alert school personnel that a scholar is to be dismissed early. The parent will inform the main office as to how their child will be dismissed (pick up, bus, walker, scholar driver)
- b. A designated person for pick-up must come into the main office and sign out the scholar at the main office. High school scholars will sign out at the main office.
- c. The name of the designated person for pick-up must be listed on the scholars contact/pick up consent form.
- d. The parent/guardian is to provide written documentation to the office to establish steps to take if, in an emergency, a non-designated individual is going to pick up the scholar and bring a photo ID.

### School Tardiness Policy

***Long Term Out-of-School Suspension***

### ***Scholar Contracts and Descriptions***

In the discretion of the Superintendent, the Superintendent may offer a scholar the option of entering into a behavioral, attendance, or academic contract, in lieu of imposition of an out of school suspension or other penalty, as indicated below.

#### ***Behavioral Contract:***

In lieu of the imposition of an out-of-school suspension that has been imposed following a Superintendent's Conference, the Superintendent, in his or her discretion, may offer a scholar the opportunity to have such penalty held in abeyance and to continue to attend school if the scholar and his or her parent(s) or person(s) in parental relation enter into a written agreement pursuant to which the penalty shall be held in abeyance and the scholar permitted to continue attending school, provided the scholar does not violate the Code of Conduct for the balance of the agreement's term. The agreement shall also identify target behaviors, define the expectations of the scholar, and provide for means of communication between the scholar, the scholar's parent(s) or person(s) in parental relation, teachers, and administrators. Such scholars are usually referred to S.I.P. Any scholar who is a party to a behavioral contract will be monitored weekly for progress check and consultation.

#### ***Academic Contract:***

Scholars who persistently show insufficient effort in completing academic work and who do not achieve passing grades in one or more courses because of a failure to undertake reasonable effort to complete academic assignments and studies, and not because of an identified disability or need for academic intervention services, will be referred for an academic contract until they improve and maintain reasonable academic performance. Such scholars will be ineligible for participation in extracurricular activities, including scholar athletics and will be required to meet weekly with a guidance counselor and/or other adults to assess the scholar's progress. A typical academic contract is for a month and subject to extension based on scholar performance.

#### ***Attendance Contract:***

Scholars with persistent attendance problems, including truancy and absenteeism, are not eligible for participation in extracurricular events, including scholar athletics. Scholars having such problems will be provided with an attendance contract that shall specify the limitation on the scholar's participation in extracurricular activities and require the scholar to meet weekly with a behavioral specialist or guidance counselor to assess the scholar's progress regarding attendance and consider any appropriate modification of restrictions on the scholar's eligibility for participation in extracurricular activities.

**Scholars with a contract who do not show significant progress after multiple intervention and support sessions may be asked to leave the SANY Academic Program permanently.**

### **Discipline ranges from warning to expulsion.**

**Major offenses** are very serious. The scholar who commits a major offense will be suspended from riding the bus. The length of the suspension will depend on the severity of the major offense. For each offense, a scholar receives a Bus Incident Report. A copy will be sent to the parent/guardian. When a scholar receives several incident reports, this will result in suspension of three to 30 days, or for the remainder of the school year, depending on the offense. If a scholar is suspended or expelled from the school bus, they must be transported to and from school by a parent and/or guardian.

### **Minor offense:**

- When suspended, the scholar is not allowed to ride any district bus for a specified period of time, this includes after school activity buses.
- Parents/guardians may be contacted to discuss the scholar's behavior

### **Suspendable offenses (Code Orange)**
